As one of the club's Official Business Partners and to celebrate the Tigers first ever season in the Barclays Premier League, Gosschalks is offering a £20 donation to Hull City's Football In The Community Programme each time they receive new instructions to act for private individuals wishing to support the club. In addition, for the same instruction, current Hull City Season Ticket holders can also look forward to a 10% reduction on their legal fees on production of their Season Ticket booklet. Terms and conditions apply.

Please pass this promotion form on to family and friends and help us to raise funds to support the next generation of Tigers!

This offer ends on Sunday 24th May 2009. A cheque from Gosschalks will be presented to the Hull City Football In The Community team at the end of the Barclays Premier League season.
